A photograph of the Beverly Hilton hotel at night. The building is a large, multi-story structure with many balconies, some of which are lit up. The hotel's name, "BEVERLY HILTON", is visible in red neon letters on the upper part of the building. In the foreground, there is a circular courtyard with a large, illuminated fountain in the center. The fountain has a series of concentric rings of water that are lit up. The courtyard is surrounded by palm trees and other plants. The overall scene is illuminated by the hotel's lights and the fountain's lights, creating a warm and inviting atmosphere.
